Application No.: 09/321,809

Filed: May 28, 1999

Confirmation No.: 7075

For: SYSTEM FOR EXTENDING AN ADDRESSABLE RANGE OF MEMORY

The owner, Oracle International Corporation of 100 percent interest in the above-identified application hereby disclaims a terminal part of the term of the patent that extends beyond the end of the 20-year patent term, namely May 28, 2019. This terminal disclaimer applies to any patent granted on the above-identified application or on any application that contains a specific reference under 35 U.S.C. 120, 121, or 365(c) to this application. This disclaimer is binding upon the grantee, its successors or assigns.

The undersigned is empowered to act on behalf of the owner.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is an attorney or agent of record.
